# Amendments 2 to the Sailing Instruction

## Add SI 16.10

16.10 If RRS Appendix N1.4(b) applies, the time limit for requesting a hearing under that rule is 30 minutes after the party was informed of the panel’s decision.

## SI 18.1 is deleted and replaced with:

18.1. On each racing day boats shall sign on before launching and shall sign off upon returning ashore. This doesn’t apply to boats staying ashore but they have to inform the Race Office before the time of first start of the day.

## Add SI 18.7

18.7 A boat that retires from racing shall notify the race committee before leaving the racing area and shall notify the race office as soon as possible after returning ashore by filling the appropriate form.
